

April 24, 2020

Faith Family,

Please take a minute to read the following updates and reminders. We trust you all are doing well, and we continue to pray for you during this time.

1. Registration information for next school year was sent out this week. Please take time to enroll through the new FACTS portal. We are thankful for the many that have already completed the process online. We ask that parents please take care of the enrollment process by Friday, May 1. We delayed the enrollment process for next year until now because of the coronavirus situation. FCS is needing to be able to plan for the next year. Thank you for your help with this matter.

2. FCS will continue formal online school instruction Monday through Thursday. Friday will be used as a teacher help/tutor day for students.

3. FCS will continue to grade papers in the online school format.

4. The State of North Carolina is making announcements for public schools. FCS is not included in the announcements. For example, they may announce closings, grading system changes and other possible information. We will continue to offer online school as we have been doing.

5. FCS continues to remain closed on campus. As long as a stay-at-home order is in place, FCS cannot resume classes on campus. We are continuing to evaluate the situation and make decisions that are best for staff, students and our families.

6. We are also discussing the possible postponement of end-of-the-year events. No decisions have been made yet for events in the month of May. We will announce changes as soon as final decisions have been made.

7. Elementary will have an assignment drop-off day on Friday, May 1. Drop off times will be from 8-10 am and from 4-6 pm.

I trust you will have a good weekend and stay well.

Todd Daniel
